

Big Maths have created home learning packs for each of the CLIC levels. These packs have been uploaded to the School website so that the children can practise the questions on their current CLIC test if they would like to. The packs are an optional home learning activity. We have also attached a 'Guide For Parents and Carers'.

Big Maths have asked us to explain the following:

1. Children should only complete one of each challenge per week.
2. Children spend half a term on each CLIC challenge. The pack is to provide support for several weeks, it is not meant to be done in one go.
3. Keep it short, simple and fun!

If you have any further enquiries, please let us know.

Many thanks.

Mrs Harries and Miss Page
